

Wisteria Park Community Newsletter

January 2015

Community Association Formed

The Wisteria Park Community Association is pleased to distribute its first newsletter. Last fall, a few residents got together and decided to form a community association. An open meeting was held and an interim board of directors was elected at that time. Our goal is to make our neighbourhood—Vintage Lane, Mosswood Court, Pondview Crescent, Dean Martin Crescent and Wisteria Crescent—as enjoyable as we can for all residents. Our aim is to hold monthly meetings on the first Wednesday of every month. Get involved and let us know how you would like to see our neighbourhood improved.

Puddle Rink Open

Thanks to the City of Ottawa and some local resident volunteers, the puddle rink in Wisteria Park is now open for your skating pleasure. So...get out there and skate! ☺ The puddle rink requires some maintenance and the **Wisteria Park Community Association is looking for volunteers to shovel snow and/or flood the rink.** Email us at WisteriaParkCommunity@hotmail.com if you are able to lend a hand. We look forward to seeing many of you enjoying the rink this winter.
